I, Christine Leone, age 20 wish to give this true and voluntary statement. After the fabulicious competition I went up to my friend Jessica Crespa's townhouse. Before we left for Finnigans we stopped at the football boys townhouse. I saw DJ there with Dez and Yves and we talked about going to Paulies or Finnigans. They left before I did because Jessica, our other friend Lina and I had to stop in martin so I could change. When we got to the bar the first person I saw when we walked in was DJ. Jessica and I talked to him and his friend Brandon for about 20 min before she and I went to make the rounds to our other friends. DJ did not have a drink in his hand. After about 15 more minutes I went to the bar with Jessica and Lina to get a drink. When we returned to our spot, DJ and I started talking again with Brandon.

and Jessica. I offered DJ some of my drink but he refused because he was driving. I offered it to Brandon as well but he declined because he didn't want to drink. I left ^{with Lina} to take Jess to Paulies, then went right back to Finnigans with Lina. I danced with DJ for the remainder of his time there. When he was leaving he said he was going back to 10 (Townhouse 10; his house) before it got too crazy at Finnigans. He kept asking me if I was going and if I promised to meet him there. Shortly after he went outside the lights in Finnigans went on so we all started to move outside. We were standing near the benches and planted shrubbery right outside the bar. DJ's car was in the fire lane right outside Finnigan's. I saw a cop ^{by} ~~approach~~ his window but didn't

think anything of it because I knew DJ was fine since he hadn't been drinking. I turned away and when I heard the car breaking I turned back around and shots were fired. Immediately everyone started screaming and running. They pulled DJ out of the car and handcuffed him. Then they ~~handcuffed~~ ^{handcuffed} Dez and I ran up to him laying on the sidewalk and he kept saying "I didnt do it tell them I didn't do anything". Then an officer approached the people standing by Dez with a gun and shouted "get up get the fuck back move back" at us while waving a gun in our faces. We all ran around to the other side of the road and that's when I saw DJ laying on the side of the road. His shirt was covered in blood.
